**\*Mactaggart & Mickel referral terms and conditions.** The person that you recommend must give us the 'Recommend a Friend' leaflet when they first call or visit our sales office, so that you can be eligible to receive your £500 when they move in. The 'Your Details' section on the 'Recommend a Friend' leaflet must be filled in by you, and 'Your Friend's Details' must be filled in by the person you recommend. Both parts must be signed. The sales consultant will then countersign the completed leaflet and retain this on file. When the person that you recommend buys a Mactaggart & Mickel home, we will then present you both with a cheque for £500. Participation in this offer is at the sole discretion of Mactaggart & Mickel. To use 'Recommend a Friend' you must have legally completed on your Mactaggart & Mickel home. Your details will appear on the UK Disclosure of Incentives form under the section Introductory Fees. Your friend should be aware that some mortgage lenders may not accept cash incentives as part of their clients' purchases such as the 'Recommend a Friend' £500 which would be received after legal completion. Please speak to your Sales Consultant for more details. Your friend's financial advisor can advise them further.
